

Enterprise Presence

A standard web presence giving your customers an easily accessible resource to gain information about your business.

100% Custom Designed Website - 6-12 static pages

All websites created by FTW Computers have been specially designed for your business based on your specifications, brand guidelines and the creativity of our design team.

These websites have been designed to allow between 6 to 12 pages depending upon your requirements.

Free 50 email boxes

To better your professional image we provide you will access to a yourname@yourbusinessname.com.au email address. These addresses look a lot more professional than yourbusinessname@hotmail.com and allow you to have your own personal inbox within the context of your business.

Free \$50 voucher for Google Adwords + Search Engine Optimisation

Google Adwords is the number one tool used by marketing experts in the digital arena. To further the efficiency of your website we tweak the content of your website to generate more leads via search engine searches plus give you a free introduction to Google Ads.

Free domain name

As an Australian business you are entitled to a www.yourbusinessname.com.au web address. As a special offer we provide all our customers with a free web address.

- Static 6 Page website @ \$1299.00
- + 1 page @ \$100
- + 1 mailbox @ \$20
