

# Lite Web Presence

An Entry-level online web presence for your business. Perfect for those new to websites and digital marketing solutions.

## 100% Custom Designed Website - 1 page

All websites created by FTW Computers have been specially designed for your business based on your specifications, brand guidelines and the creativity of our design team.

## Free Contact Form

One of the goals of digital marketing is to attract new business. By including an online contact form for customers to contact you through this will increase your customer base.

## Free 3 email boxes

To better your professional image we provide you will access to a yourname@yourbusinessname.com.au email address. These addresses look alot more professional than yourbusinessname@hotmail.com and allow you to have your own personal inbox within the context of your business.

## Free domain name

As an Australian business you are entitled to a www.yourbusinessname.com.au web address. As a special offer we provide all our customers with a free web address.

- Static 1 Page website @ \$499.00
- + 1 page @ \$100
- + 1 mailbox @ \$20
